

MEMORANDUM

February 28th, 2019

TO: Lincoln Municipal Golf Committee

FR: Wade Foreman Golf Business Coordinator and Casey Crittenden, Golf Maintenance Coordinator

Cc: Parks and Recreation Advisory Board

RE: February Golf Report

Golf Update:

Winter just keeps dragging on and fortunately this has given our staffs time to go through equipment repairs and service work. No golf has been played in February due to snow and very cold temperatures. I think everyone will be happy to get back outside and on the course once weather warms up in March. Casey recently came back from the industry conference in San Diego. The conference was full of excellent learning opportunities and provided him with a chance to look over new product lines. Also worth noting is a tree service has been hired to continue Ash Tree removal at Mahoney and Holmes. This work may go on throughout the spring months. The weather and the tree crew's ability to get around the course without too much damage will determine how long this process will take.

Player Development Update:

See Joe's recap of 2018 report

Capital Improvements Update:

Highlands Irrigation Control Panel install will be happening in the next week or two.

Security cameras are being installed at the golf courses to monitor the golf cart holding areas.

Marketing and Promotions:

Lincoln City Golf Open House-April 6th (Sat) at Holmes Golf Course 9am-2pm.
