RE: February Golf Report

## **Golf Update:**

January had a few days of golf rounds being played with a total of 699 played for the month. Snow and very cold weather in February will keep the rounds played at zero for the month. Hopefully March will bring some more seasonable weather and a return to golf at the courses by middle of the month. The Clancy Woolman clubhouse at Highlands flooring and restroom renovation projects have been completed. Check it out when you get the chance it looks amazing!

On the maintenance side of things with all of the snow on the ground for the last month crews have been inspecting and repairing maintenance equipment so it is ready to go in spring. Pioneers and Highlands golf courses were part of the Top 5 best golf courses in the Lincoln according to the Lincoln Choice Awards for 2021.

New carpet and tile at Highlands:
