Ager Golf Course And Learning Center

At Ager Golf Course and Learning Center the philosophy of learning golf is a simple one built upon the concept of a total golf game experience (i.e., full swing, short game, and on-course instruction and proper club fitting). This experience is designed to improve every facet of the student's game in a safe and nurturing environment. Ager Golf Course is a perfect place for someone to start learning a fun lifetime sport like the game of golf.

Ager employs PGA Golf Management Interns from the University of Nebraska Golf Program. These soon-to-be PGA Professionals are trained with the latest expertise in teaching methods, club-fitting and more.

Again for 2019 you can take advantage of the two PGA Golf Management instructors right here at Ager Golf & Learning Center. Line up your lesson today by visiting with the Ager Golf Shop.

PGA Golf Management

INSTRUCTORS:

Samuel Pella – Samuel is a Lincoln native from golf powerhouse Lincoln East. He is in his second year with Ager Golf & Learning Center as well as the PGA Golf Management Program. He has great knowledge of the swing and how to communicate the swing fundamentals in a fun and easy to understand way. He comes highly recommended from 2018 students.

Wono Yoo – Wono is a graduate of the Keiser University College of Golf and currently enrolled in the PGA Golf Management Program. He has extensive experience and training in golf instruction which he is able to communicate effectively for advanced and beginning students of any age.
*Speaks English and Korean

For more information on leagues or golf camps please call the golf shop at (402) 441-8963
