JUNIOR GOLF

Find the perfect program for your young athlete!

Active Start

Active Start is for young athletes 6 years and younger learning the game for the first time or participating in structured programs for the first time. Youth are kept active with golf, near-golf and golf fundamental movements building a strong golf foundation. Camps and learning are about fun and falling in love with the game.

Ager Scramble League and Golf Leagues
YMCA Golf Leagues
Adult/Child League & Tournaments

Learn to Play

Known as the "Golden Age" for learning, athletes 9-12 start developing sport preferences and may want to focus on golf along with a few other sports. Instruction involves refining technical skills and applying those skills toward scoring on the golf course.
