Monay Night Football League
Holmes Golf Course

RULES AND GUIDELINES

USGA RULES APPLY

Format: Two Man Scramble. Teams compete against each other in 9 hole matches. Handicaps will be applied according to stroke averages. A maximum of 3 strokes will be the difference in a match. Strokes will be applied to the handicap holes. In the case a team has a substitute that team will not receive any handicap.

Scoring: Per hole: 1 point win, ½ point tie, 0 points loss.
There will be 9 possible points per match, however the most points that can be won in a match is 6. If one team reaches 6 points the other team must still earn their points. Example, if an opponent scores 0 points the match would be 6-0, not 6-3. If the opponent scores 1 point the score is 6-1.
Byes: When a bye is scheduled the team will compete against par.

Tees: Men – Blue tees 70 & Older – White tees Women – Yellow tees

Conditions: Improve your lie six inches but may not improve your position.

Schedule: All matches are to be played at times scheduled for league play each week. No makeups.

Weather: One long horn blast indicates dangerous weather conditions in the area. It is up to players to decide whether they continue play or not. If there are any matches not completed due to weather conditions all matches will be rescheduled to be played on a rain date at the end of the regular schedule.

Play well and have a great day!
