Bud Light Ladies League
Rules and FAQ's

-The format for league is a two person scramble. Each player will tee off, select the best shot and continue that process until the ball is holed.You may improve your lie within **2 clublengths,** no closer to the hole. Your lie must also stay the same meaning if your ball is in the rough you must stay in the rough.

-You will either play the green or yellow tees depending on which division you are in.

-There are **12** available points per match. **1** point will be awarded per hole with half points for ties. An additional **3** points will be awarded for the team with the lowest net score. (Net score = Total Score – Handicap).

-Handicaps are based on your scores from last year.

-The max score you can get on a hole is 10.

-Results will be posted each week at lincolncitygolf.org/leagues/pioneers-leagues

-If you can't find a sub and there is only 1 person playing, **you may hit 2 shots on everything except putts.** There are weekly flag prizes that will be given out at our year end party.

-Every year there is always questions about weather. Plan on playing unless there is lightning or it rains too much and carts are not available. If we do end up cancelling you will get an email from me at least an hour before the first tee time.

-The cost is $35/Player or $70/Team up front as well as the 9 hole w/ cart green fees each night. Quality Brands is the sponsor for this league and will be giving out cool stuff periodically throughout the season. Any other questions or concerns, feel free to call the proshop (402-441-8966) or shoot me an email at (pioneerswedladieslg@gmail.com). We look forward to another great year with you guys!
