Pioneers Welcomes
2026 Business League

Welcome to the 2026 League Season. The format for this league is a stroke play two person scramble. Each player tees off. Select the best shot and continue this same process until the ball is holed. You may improve your lie within **one club length** of the original ball, no closer to the hole. You must stay with the same lie meaning if your ball is in the rough you must stay in the rough.

Tees: Every division will play from the **Blue Tees.** Anyone **Over 60** years of age will play the **White Tees.***

Scoring will be the same as previous years. The format is stroke play, and it is 2pts for a win, 1pt for a tie and 0pts for a loss.

We will have 2 weeks for qualifying to start the year (4/21 and 4/28). These rounds will be used to put you into the correct division. I will also take into account last years scores if anyone appears to be sandbagging to try to get into lower division. Divisions will be reshuffled after the first half of the season (06/30).

There will be 2 Flag Prizes per division, and there will be one 'community' flag prize that anyone can compete for. All flag prizes are worth $10 in shop credit and will be added to your team's account. These will start on 5/5 for the first official week of league play. Tonight (4/21) and next week there will be 2 flag prizes, worth $50 each that anyone can compete for.

Payouts for the first and second halves of the season per division will be as follows

1st – $300
2nd – $200
3rd – $100

All ties will split prize money. These are also paid out in shop credit and will be added to your team's account.

All divisions, schedules and weekly results will be posted at
http://lincolncitygolf.org/leagues/pioneers-leagues/
I will also send out an e-mail every week with everyone's starting hole.

I know some of you already have city memberships. Everyone that does not have one already should strongly consider purchasing a discount card. The card costs $47 and you receive 15% off your daily green fees for an entire year from the date of purchase.

Thank you all for playing enjoy the Season
